A Food for special medical purposes

Salovum

Salovum is a spray dried egg yolk powder with a high concentration of the protein Antisecretory Factor (AF). AF regulates the ion and fluid balance across the cell membrane and even has anti-inflammatory properties.

The product can be used for the treatment of:

- Mb Ménière
- Inflammatory bowel diseases:
 - Mb Crohn
 - Ulcerative Colitis
 - Diarrhea
- Mastitis

Instruction for use:

Salovum powder is stirred into a glass of cold liquid. The best result is obtained with fruit juice preferably with pulp. Salovum can also be used in sandwiches or used in the mixture for egg dishes.
